Re: Item 1, Contract Unit 2A, Demolition of Can Rad,
Urban Renewal Project NYR-58

Dear Mr. Pacitto:

Thank you for forwarding your notice to proceed and the executed contract referenced above.

I understand that in addition to our commitment under the subject contract, we may be required to provide earth-moving equipment services to assist the Croton Point Dump in preparing the waste burial area and backfilling over the contaminated wastes delivered from the Can Rad Building. We will arrange for such equipment rental services as may be required through our subcontractor Rossi-Halmar. Charges for these services will be billed to you in addition to the contract price. The following rates will apply:

D-6 Hydraulic Bulldozer	\$225 per day
D-7 Hydraulic Bulldozer	245 per day
955 Crawler Loader	245 per day
977 Crawler Loader	335 per day
3 C.Y. Rubber-Tire Loader	275 per day
10-Wheel Dump Truck	165 per day
Truck Travel Time	21 per hour
(before 8:00 A.M. or after 4:30 P.M.)	

These rates do not include charges for premium time or lost time due to inclement weather or other conditions beyond the control of Isotopes, Inc. Such special charges will be billed on a case basis at actual wage rates plus a markup of 100%.

Prior to incurring any of the charges quoted herein, Isotopes, Inc. will notify the Mount Kisco Urban Renewal Agency or its designated representative, and obtain verbal approval to proceed.

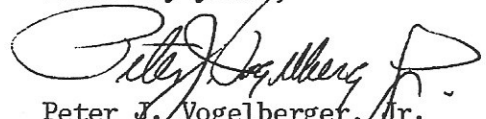

Please indicate your acceptance of these terms by signing and returning one copy of this letter.
